

MD101 / MD102

ARIOTEK® Hand Held Metal Detector

Key Features

- The ability to change the sound or vibration mode
- Easy to operate, equipped with a leather sheath for carrying
- ABS body with high resistance
- Extremely high sensitivity in the detection of small metals
- Notification of low battery alarm
- Setting the sensitivity to low or high

WWW.ARIOTEK.IR

This device has been reverse engineered by Rayan Roshd Afzar .Co (Ltd) from the best models of inspection rockets in the world and has the highest quality. Some of the common uses of this body search device for offensive weapons are in population control, airport and border security, religious places, entertainment, sports, schools, entry and exit customs and any place that needs to detect metals and check packages related to Metal objects.

Specifications MD101

Body Material	ABS
Sensibility	Different in metal dimensions
Sensitivity function	high / low (switchable)
Electricity consumption	MW260
Current	less than 50 mm
Working temperature	-10° to +50°
Battery type	9 volt battery
Size	410x80x40 mm
Power	Battery model 9V-6F22
Weight	370 grams

Specifications MD102

Sensibility	Different in metal dimensions
Display	16 LED lamps
Frequency of Operation	22 kHz
Standard current	< 5 mA
Working voltage	9 V, when the voltage drops to 7 V
Working temperature	-10° to +65°
Reset time	0.5 seconds, automatic
Size	295 x 68 x 28 mm
Power	Battery model 9V-6F22
Weight	270 grams

ARIOTEK[®]

CSP
ISO 9001:2015

Standard Features

- Equipped with 16 LED metal indicator lights: As you discover metal objects of different sizes, the indicator lights gradually change from green to red.
- Two alternative alarm methods: by an off switch to choose between sound and vibration, with easy and convenient operation
- Adjustable sensitivity level: It has a low sensitivity switch, in order to detect miscellaneous goods and very small metal objects
- Simple appearance, easy to carry and use, no need to adjust
- A 9V battery power source with an external charger jack for full charging
- Very low battery consumption
- Battery and charger are optional
